What turns me on more than anything is

Allie was a beautiful young girl of 18 when I met her, all innocent and chaste. I was a lecherous 25 year old and so hot for her that my dick would get hard just watching her walk down the street.

That was nearly ten years ago, and my dick still gets hard watching those long, shapely legs move. Tall and slim, with small, high tits and a round, firm little ass, just made for my big palms to grab onto. Allie loves fine wine and classical music, and going to see shows. And she also loves her big, beer drinking, football-freak of a husband.

What turns me on more than anything else about Allie, though, is her huge vocabulary—not common everyday English, but good old, down-home, deep-throat, fast-fuck trash.

My very favorite position is to just lie back against the pillows and have my lovely princess mount me. Almost before she has my big dick completely packed inside her sweet, wet pussy, she opens her mouth and that dirty talk comes pouring out. Watching her above me, lift her hips and then slam them home, taking me into her wet pulsing cunt in one swift stroke, is enough to drive me wild—let alone hearing those filthy words that roll off her talented tongue.

Allie likes to fuck me to the verge of explosion; then when she feels my balls tighten up for big blast-off, she hops off, wraps her cherry-red lips around my cock, and sucks me until I fill her mouth with loads of my spurt-ing jism. Then she licks my dick clean.

After that, she sometimes kneels above my face and slowly lowers her dripping pussy onto my tongue and lips, the delightful fuck-words once again flowing from her mouth. She tells me, in no uncertain terms, just how to lick her dripping-wet cunt, when to tongue-fuck her gaping hole,

and when to chew her hard, protruding little clit.

Sometimes she likes to stand before the full-length mirror by our bed, part her dainty pussylips so she can see her wet, hungry cunt in all its glory. Sliding one long, skinny finger inside the pink, glistening slit, she flogs the living daylights out of her own lovely cunny, talking all the while. She tells me how good her finger-fucking feels, spreads her ass cheeks with her free hand, and then tells me how much she'd like to take a big, hard dick up there. Or, mauling her own tits, pinching and pulling at her stiff nipples, she reminds me how much she likes to have them sucked.

Whichever route she takes to orgasm, old faithful never falls to rear its horny head once more. When Allie talks, my cock listens. I generally end up yanking her down on the bed and trying to pound her right through the mattress.

Some dudes don't like women with a gift for gab, especially during sex. That certainly isn't one of my gripes, not when the lady looks and talks and fucks like Allie. To see her on the street or even at a fancy dinner party, you'd think she was of those snooty, holier-than-thou bitches with cunts dry and puckered like a prune from disuse. That's just one of the things that make Allie so special. She really is a bitch; a hot, horny little bitch with a mouth of pure gold ... between the sheets, anyway.

Lately though I've begun to wonder and worry what's going to happen when old faithful is not quite so faithful anymore. I mean, a guy in his mid-50s has got to start winding down sometime, and with Allie so much younger, really just getting into her sexual prime, I figure I have reason to start to worry a bit.

My big idea hit me while Allie and

I were on vacation at the beach. She was on all-fours on the motel-room floor and I was pounding into her tight, wet cunt doggy-style. She was moaning and bucking beneath me like an animal while I rode her, my finger squishing in and out of her dripping pussy.

We were both a little sunburned from lying in the sun all day, watching the scantily clad college kids play around in the water. Allie had particularly enjoyed watching the young dudes engaged in a brisk game of volleyball. As they jumped around after the ball, their swimming shorts slipped and slid across their sweaty bodies, giving her quick, furtive glimpses of dangling balls and an occasional gander at the head or shaft of shiny dick.

my wife's deep-throat, fast-fuck trash talk

Dirty Talk

suck and suck, and as soon as the guy shot his load, another guy would be slipping the head of his steely dick between her lips, even before the slack one had pulled out. She would suck them all, she moaned, every, last beautiful fucking one of them.

"And where would I be while all this cocksucking was going on, baby?" I muttered breathlessly.

"Oh," she said, "You'd be lying between my legs, eating my pussy out."

She was coming then, her pussy pulsing and grasping my plunging rod, her thick flow of liquid pleasure lubricating my dick and creaming the cheeks of her ass, running down her legs. She kept right on coming too, her spasming cunt milking my dick like a baby at its mother's breast. I almost blacked out as my cock began pumping huge gobs of cum into her hot cunt, my balls aching with the force of the volleys of jism.

Exhausted, we lay together on the hard, cold floor, slowly, reluctantly returning to earth from our orgasmic orbit. And that's how I got my Big Idea.

College kids are always short a buck or two, and I'd seen some of those guys ogling my wife's shapely body on the beach. I knew she hadn't been found lacking. There were quite a few hard cocks on the sand that day, not to mention my own.

The next morning, while Allie soaked up the rays and continued her ogling the young studs at the beach, I approached one of them. Telling him

that I wanted to make sure my wife had a special time that evening, I offered to buy drinks and dinner for him and one of his pals. In return, they would be very nice and friendly to Allie and keep her busy on the dance floor, and just generally see that she enjoyed the evening. There was no doubt in my mind how that evening would end, but I decided to just set the stage and let nature take its course.

By the end of the day Allie had watched the young guys and fantasized herself into a frenzy. She was groping for my cock before the motel room door had closed behind us.

"Oh no, you don't," I laughed, picking her up and depositing her beneath the cold spray of the shower. "We're going to have a nice, quick dinner, drink lots and lots of very good wine, get very drunk, and dance all night till your 10 toes fall off!"

"Well, okay," she conceded, "just so it's my toes that fall off and not your cock!"

Allie looked terrific in a clingy, silky-looking dress with tiny spaghetti straps. The neckline was cut halfway to her belly button, and you could just catch a peek every now and then of a small curved tit when she moved. Her dress was slit way up her thigh, displaying long, slender legs. I was tempted to just shuck the whole deal and let Allie jack my dick until I spurted my cum all over her pretty dress. Thinking about how surprised and pleased she would be with my little plot, I got myself under control and took the lady out to eat.

We were seated at the bar, just starting our second round of drinks, when the good-looking blond guy I'd approached earlier came over and plopped down on the stool beside Allie. He smiled warmly, introduced himself as "Terry," and when the band struck up a slow, sensual tune, asked

She was so hot to trot by the time we got back to our room, she peeled out of the skimpy bikini she wore, knelt on the floor at my feet, and began sucking at my cock right through my swim suit! Grains of sand still clung to her ass as I held her against me and shoved my cock into her welcoming pussy.

She was fantasizing out loud, telling me all about what she would like to do with one or two of those young studs on the beach or maybe even the whole gang of them. I pistoned my swollen cock in and out of her tight cunt as she told me how she'd like to line those young cocks up in a row and suck every last one of them bone dry. She would lie on her back, she said, open her mouth, and have a nice, thick cock shoved into it. She would

When I invited the young dudes to our room for a “nightcap,” they happily agreed. After that, it was up to Allie—and she didn’t disappoint me.

Allie to dance.

I nodded my approval when she turned to me with a questioning look in her eyes, and Allie slid into his strong, muscular arms. The guy obviously worked out, because his entire body bulged and strained and rippled beneath his clothes. Sipping my drink, I watched them closely—the goddess and the blond Adonis. The scene made for some good watching. Allie seemed a little tense at first, but began to visibly relax and enjoy the dance.

Her eyes sparkled with pleasure as they walked back over to the bar. I suggested we move to a table near the dance floor, and Terry readily agreed to join us. We talked a bit, drank some more, laughed at some jokes. Allie and Terry then headed over to the dance floor again, holding each other close and smiling into each other’s eyes. My cock was beginning to throb painfully, watching them and thinking of what might come afterward.

Later, when they were seated again, I noticed that one of Terry’s hands had disappeared beneath the table. Allie’s mouth formed a surprised “O,” but her tiny sigh of pleasure was unmistakable. Terry chattered on, just as though nothing unusual was happening beneath the table. I tried to pay attention, but my mind was on that hand under the table, and what it might be doing to my wife.

Fighting the urge to lift the tablecloth for a closer look, I settled for watching Allie’s face. I sat there rapt, listening to her little pants of delight, and imagining Terry’s fingers creeping beneath the black dress, sliding sensuously over her silky thighs, moving slowly upward to caress her moist pussy, damp even through panties. There was a little movement beneath the table as Allie shifted her legs, and I knew she was opening them, spreading them to his touch.

The portion of Terry’s arm I could see above the table seemed to move gently, rhythmically, and the picture in my mind of his knowing fingers seeking and exploring her womanhood, finding and manipulating her little pleasure button, was so real, so vivid, my own cock swelled and

plot. She winked and blew me a kiss over Carlos’ shoulder.

Allie towered above him but Carlos, his face pressed against the firmness of her tits, didn’t seem to mind at all. In fact, he seemed to be enjoying himself very much. When they danced by our table, I saw very clearly why.

throbbed so hard I thought I was going to come right in my pants.

Allie’s quick intake of breath was almost a sob, and her body seemed to quiver all over. I knew she was coming then, her little clit spasming joyously against Terry’s probing thumb, her lovely cunt flooding with sweet pussy juice.

Her eyes were still glazed with lust when we were joined by another young guy. His name was Carlos and he was not nearly as large as Terry, but very handsome and virile looking with his jet-black hair, dark skin and flashing eyes. When he asked her to dance, Allie didn’t even look at me to see if I minded. In fact, I think she was beginning to catch on to my little

The V of Allie’s low-cut dress had slipped over, and the drooling young man was actually chewing on her tit! In the dimness of the bar, no one else noticed, but for the second time that night I nearly jizzed my pants! From the obvious bulge in the front of Carlos’ tight pants as they walked back to the table, height was the only thing he was short on.

When I invited the young dudes to our room for a “nightcap,” they happily agreed. After that, it was up to Allie—and she didn’t disappoint me. Excusing myself for a trip to the bathroom, I gave them a few minutes alone.

When I came back, Allie was on the sofa, the top of her dress was around

her waist, and those two guys nursed hungrily at each tit. Their pants were open and my wife held a big, stiff cock in each hand. She gave me a slow, languid smile as I slid into a chair to watch the action.

Pushing their heads away, Allie stood up and slowly slipped the dress

ners of Allie's lips. Carlos let out a yell and he too was pumping great gobs of sticky cum into her mouth. Allie seemed to be overcome with joy seeing all that goopy cum.

Ordering them to get undress, she pranced over to the bed, sprawled across it and opened her legs, giving

pussy against Carlos' mouth, screaming out her orgasm.

Pulling Terry down on the bed, she rolled over on top of him, his giant knob sliding easily into her drenched cunt. Spreading the cheeks of her ass, she ordered Carlos to shove his swollen dick into her, puckered little hole. Carlos, his face smeared with her pussy juice, grinned delightedly and began slathering spit over his dick.

Allie moaned a little as she felt her tiny little asshole being stretched and filled with his huge dong. Carlos began inching his cock into her, slowly, gently, until it was buried, balls-deep, in her virgin bung-hole.

"Harder!" she cried, "Fuck me harder, Carlos. Fuck me with that big dick of yours!"

Suddenly, my cock erupted in my fist, my cum spurting halfway across the room in huge jets of milky jism, as I watched my wife being fucked in the ass and pussy by those magnificent cocks. Allie was in seventh heaven as both those stud plowed into her, filling her with loads of hot cum. She was screaming in her ecstasy, her spasming cunt and ass milking those big dicks, draining their aching balls of every drop.

Those young guys were very tired and happy as they kissed Allie good-night and shook my hand, thanking me for a wonderful evening. I drew a tub of warm water to soothe Allie's battered body, and lay back in the tepid luxury as she demonstrated her thanks.

I had a wonderful time watching my wife and her two lusty lovers, and Allie lived out a lifelong fantasy. I'm not worried about old faithful losing faith anymore. When that time comes, if it comes, I know how to keep my woman happy.

There's an endless supply of hard cocks in this world, and Allie knows just how to take care of them.

over her hips, taking her panties along with it. Kicking the discarded clothing aside, Allie preened herself before the young men, caressing her tits, parting her fragrant labia to show off her pink, glistening pussy. Carlos jerked frantically at his distended dick as she knelt to lick at Terry's bulging cock. Then she moved over and licked Carlos' while Terry and I looked on.

Allie moved back and forth between them, slurping, sucking, gobbling up one cock, then the other, finally ordering them to stand so she could take both cocks in her mouth at once.

Terry was the first to come, his thick jism exploding from the cor-

Carlos had an incredibly thick cock that was still as hard as ever. Terry's cock was shorter, but the head of it looked like a doorknob. He knelt beside the bed and began rubbing his dick over Allie's tits and neck and face, while Carlos buried his face in her dripping snatch. I had my dick in my hand and pumped furiously as Allie cooed and sighed with pleasure. Arching her hips, she jammed her

I've always been told that one of my best features, besides my long flowing locks, is my mouth. Everyone loves my full lips, and guys really love them when they're wrapped around their cocks. I wear shiny lipstick so they can focus on it better. And I think it's fun when I leave a lip ring around their hard cocks.

I have to admit that I'm a bit of an adventurer. I also have to say that sex in the bedroom can get a little boring. I love doing it wherever I am and even in unsual places. My lover's coming over in an hour and I want to warm up for him. And when I wrap my mouth around his cock, he'll remember me, for sure.

BLAIR-NTS-00

finally letters:

More letters have come into the office that we had to share another with you.

"Too good to be true," I muttered, eyeing the new shipment of racquetballs with a devilish grin.

The receiving area was a mess, countless boxes containing all manner of sporting goods equipment taking up every inch of floor space. Christmas was just two weeks away. We were ramping up our inventory in a big way. My manager wanted the store fully stocked for the holiday shopping season.

This meant overtime and lots of backbreaking labor for me. Still, I could use the extra money. And work helped me blow off steam, helped keep my mind off Erica. The cold-hearted cock tease had broken up with me the day after Thanksgiving. My best drinking buddy Dan had assured me this was a good thing. "All she ever gave you," he had told me, "was a bad case of blue balls."

And this was true.

Erica and I had dated for all of five weeks, sexless weeks.

Looking back, I should have been the one to break up with her. I don't know why I had put up with her goody-goody bullshit for as long as I did. Well, that's not entirely true. Erica was super hot. And I had high hopes that she would be worth the wait. Boy was I wrong! Turns out I had waited for absolutely nothing.

But the racquetballs had inspired me in a big way. I had an idea—a damned good idea, if I do say so myself. The perfect Christmas gift for Erica, I mused. Just to let her know that I was still thinking about her. They came three to a can, the

racquetballs did.

And they were blue.

Christmas came and went.

I hadn't forgotten about the gift I had mailed to Erica (with a snide card to boot—Merry Xmas, Erica! Thanks for the blue balls!), but it certainly didn't dominate my thoughts. She was history. Or so I thought.

Until Erica showed up at the store one night just before quitting time. I was putting the finishing touches on a display of tennis apparel when she confronted me.

"Hey, Jeff," she said. "We need to talk."

"Look," I told her, "if it's about the gift—"

"I loved it."

I wasn't sure if I had heard her correctly.

"I treated you poorly," Erica conceded, "and I'm sorry. I led you on. I shouldn't have done that. Truth be known, I was scared."

"Scared of what?"

"Isn't it obvious?"

I didn't know what to say.

"Sex, Jeff. I was a virgin," she continued, "and I didn't want you to know."

"A virgin?"

"Still am."

Her revelation was quite the shocker. I found it hard to believe. Erica was a seriously good looking eighteen-year-old. I was at a loss for words.

She broke the silence, "I'm ready to make a change."

And work helped keep my mind off Erica. The cold-hearted tease had broken up with me the day after Thanksgiving.

Was she saying what I thought she was saying?

"Enough is enough," she stated. "I'm through being scared. I want to have sex. I want you to be my first. I want you to fuck me, Jeff."

Both Erica and I still lived with our parents. Luckily hers were out of town. Having finished my shift, I drove to her house and parked on the street. She was waiting for me in the kitchen. The excitement in the room was palpable.

She offered me a beer.

"No thanks."

"Come on," she said, leading me upstairs to her room.

We wasted little time. Our clothes hit the floor in a matter of

snatch. She gasped, her teeth digging into her lower lip. I remained motionless inside her for several seconds before commencing to thrust. I drove my hips, plunging my dick deeply, before pulling it almost all the way out. I wanted her to feel the entire length of my cock with each slow thrust. I did this again and again, watching her face twist with pleasure and pain.

"Harder, baby," Erica urged me. "Fuck me harder and faster."

I picked up the pace, moving my pelvis rhythmically, reaming her with piston-like jabs. Her tits shimmered as I pounded her relentlessly. I thought about those five weeks

Our clothes hit the floor in a matter of seconds. Erica's body was everything I knew it would be. Her tits were a perfect handful...

seconds. Erica's body was everything I knew it would be. Her tits were a perfect handful, firm half melons capped with turgid brown nipples. Taut tummy. Slender hips. Her lustrous black hair matched the landing strip between her long legs.

Our lips fused. She was all over me, exploring my body with her eager hands. I was content to let her take the lead. Her fingers found my cock. Our tongues tangled as she stroked me. I cupped her ass cheeks, squeezing and kneading with increasing urgency. Her hand pumped me faster and faster.

"Do it," she breathed in my ear. "Fuck my pussy."

Erica lay on the bed. Her dark hair fanned across the white pillow. She spread her legs and lowered a hand between them. I stood there, tugging my cock while she played with her pussy. She was good at it. Her fingers worked deftly. Her breathing became ragged, her cunt visibly moist. She writhed sinuously.

I grabbed her ankles and raised her legs to my shoulders, contorting her into a right angle. Then I entered her virginal

we had dated, the frustration, the lusting after her body, the painful blue balls which had plagued me. I used these memories as fuel as I fucked her.

Erica was my first virgin. I wanted to prolong the experience, but her pussy proved much too tight. I pulled out and came on her stomach. She was out of breath. We both were. Erica hadn't come. But that was okay. Perfectly normal for a first-timer. She would get there in time. I'd make sure of it.

"Hey," I said after my breathing had regulated, "what did you do with the racquetballs?"

Erica laughed. "I gave them to Toby."

"Good for him," I said.

As if on cue, Toby barked in the backyard.

They just couldn't wait to get their hands on each other. While the crew was setting up, the girls were in the other room and so horny that Sunny started licking Frida's bald pussy. Then Frida returned the favor when Sunny was on the sofa. Each one came, and fortunately we had our cameras in there at the time.

I love men. They are so aggressive and so ready to fuck. They don't waste time. They know what they want, and I do too. I want to do as many as I can before I lose interest in sex (which I don't think I ever will). So today I get to put another notch on my bedpost. This should be good entry in my diary.
